

NEWS GATHERED FROM SOUTHSIDE

Clifford Lunsun Run Down by
Heavy Milk Wagon and
Badly Hurt.

MOORE SUCCEEDS HALL

New Manager for Heat, Light
and Power Plant—Chesterfield
Chapter Holds Meeting.

Manchester Bureau, Times-Dispatch,
No. 1102 Hull Street.

Clifford Lunsun, the fifteen-year-old
son of Mr. and Mrs. John Lunsun, of
No. 1202 Hull Street, was painfully
injured yesterday in Richmond at
Foushee and Grace Streets, where he
was run down by a heavy milk wa-

gon. The little fellow is employed as a
messenger boy for S. E. Bishop and
was on his bicycle yesterday when he
passed the wagon. Just as he came
close to the vehicle, he was knocked
down. The wheels passed over the
boy's body and the horse walked on
his face. He was taken into the home
of Dr. Robbins, No. 8 West Grace Street,
and it was found that several of his
ribs were broken. His injuries were
dreaded and he was removed in an
ambulance to his home, where Dr.
Rucker attended him.

Last night he was reported to be
getting along well, and it is not
thought that his injuries will prove
fatal.

George Hall Resigns.

George Hall, who for the past five
years has been manager of the plant
of the Manchester Heat, Light and
Power Company, has resigned his po-
sition and he will be succeeded by Mr.
William Moore, of Manchester.

Up to the time Mr. Hall has not
decided where he will live, he has sev-
eral offers under consideration. It is
reported that New South Council, Jr.
O. U. A. M., is considering the mat-
ter of erecting a hall of its own in
the city. The matter has already
been discussed by the Council, and
possibly something will be done in the
near future.

Chesterfield Chapter.

The regular meeting of the Chester-
field Chapter, United Daughters of the
Confederacy, was held Monday after-
noon in the home of Miss Marion Du-
val on Cowardin Avenue. The meet-
ing was largely attended, and much
important business was transacted. The
new badges have been received, and
any member desiring one may pur-
chase it from the treasurer, Mrs. J.
Sidney Perdue, Chester, Va. The next
regular meeting will be held at the Ches-
terfield Courthouse on the 3d of Sep-
tember the rally day for the Chester-
field chapter and camps of Confederate
Veterans. One member was re-
ceived, Mrs. Arthur Hamilton, Pet-
tigrue. After adjournment refresh-
ments were served by the hostess.

Mrs. A. C. Harding, who was oper-
ated upon at the Memorial Hospital
on Friday, is reported to be improving.

It was also determined by the direc-
tors to expend \$250,000 at once for
necessary improvements, and this mat-
ter was left in the hands of the pres-
ident, he having prepared a schedule
of improvements and presented it to
the board. This plan, which was
accepted, calls for the completion of
the freight yard, over the basin be-
tween Ninth and Twelfth Streets, and
the enlargement of the freight house
at Lynchburg.

Mr. Stevens said that there would be
no cut made in the salaries of the
employees of the road, and that such
action had not even been con-
templated by the directors.

The whole matter of retrenchment
grew out of an abundance of caution
in preparing for any financial storm
that might sweep over the country, the
directors having determined to take
chances, but to place the road in
such a condition that no money stress
could injure or jeopardize the inter-
ests of its stockholders.

Will Assist President.

Up to this time the members of the
board of directors of the Chesapeake
and Ohio have been men from outside
the state, but their outside inter-
ests precluded them from giving any
except the most general attention to
the management of the road. This
condition has changed, for since the
retirement of two directors represent-
ing the New York Central Railroad
Company's interest, and one represent-
ing the Pennsylvania Railroad Com-
pany's interest, two new directors have
been elected and a third is contem-
plated, who will give much time to
the affairs of the road, and who will
assist the president and relieve him
in the discharge of certain duties, with-
out, however, in any way impairing
his authority as the executive head.

In a word:

1st. The directors have announced
their purpose to keep in close touch
with the affairs of the road.

2d. On account of the money market
and financial conditions generally the
directors thought it advisable to stop
all extraordinary expenditures.

3d. The road needed \$5,000,000 to pay
its debts and borrowed it where it
could get the amount at the lowest
rate.

4th. The question of making a cut
in the salaries of the employees of the
road has not even been considered by
the directors.

JAMESTOWN EXPOSITION.

GROUND, July 6.—Second Sergeants
Antonio Gomez and Amado Vetaquez,
of the Mexican National Guard, and
members of the Mexican National Guard
were playing at the
Jamestown Exposition, charged
with stabbing Seaman Clapp, of the
battleship Ohio in a brawl in a Pine
Beach resort shortly after 3 o'clock
this morning, were paroled, in the
custody of Captain Lago, of the Mexican
Exposition Commission, late this after-
noon.

The charge against the Mexicans was
to be heard this afternoon, but Sea-
man Clapp was too ill to appear in
court. Captain Lago, who seems to be
well posted on international law and
customs, took the case of the Mexi-
cans in hand as soon as their arrest
was reported to him. His suggestion
that the men be paroled was promptly
acquiesced in by Captain Henry V.
Carpenter, U. S. M. C., commandant of
the Penitentiary Guard, by whom the
Mexicans were arrested. The Mexican
officers are working in
harmony in the case, and it is prob-
able that the case will require
diplomatic settlement. Captain Lago
states that he desires Gomez and
Vetaquez punished, should they be
guilty. Captain Carpenter assures the
Mexican officers that he only desires
that justice be meted to the guilty.

Seaman Clapp was reported to-night
as having an even chance for recovery.
He is badly stabbed in the abdomen.
He was found on the floor in the re-
sort, where the brawl took place. An
investigation of the affair by the po-
lice resulted in the obtaining of evi-
dence that pointed toward the Mexi-
cans as those guilty of the assault.

One of them had blood spattered on his
white uniform when arrested. He said
that it was from his nose. The Mexi-
can Band played at a dinner given by
President Taft of the exposition, in
age. She was taken to Richmond, and
Norfolk last night. The met several
sailors in the resort at Pine Beach af-
ter they returned there, and the clash

is said to have been the result of re-
marks made to the Mexicans by the
Americans.
